Cub Camp (9:00 – 11:30 AM)

This camp was designed for young wrestlers who want to learn the basics of wrestling. Basic high percentage moves will be taught that will allow young wrestlers to become more successful in the years to come. This camp will also include many fun and enjoyable games and activities that wrestlers won't soon forget. This Camp is open for wrestlers in grades K-6 and novice middle school wrestlers.

Grizzly Camp (12:00 – 2:30 PM)

This camp is designed for the experienced Junior High and all Senior High School wrestlers who want to learn how to become the best from the best. The clinicians assembled are some of the best wrestling talents in the local area. All clinicians were successful high school and collegiate wrestlers, who are still actively involved in wrestling. Instructionally this camp will cover all aspects of scholastic /collegiate wrestling. This camp will have two sessions a daily. An instructional session from 12:00 pm to 1:30 and a drilling / live session from 1:30pm - 2:30pm that will allow wrestlers to perfect their newly learned techniques.

- Special care will be given to match wrestlers with others who are their own size and ability.
- Every wrestler will receive lots of personal attention as the high school wrestlers will be acting as assistant clinicians.
- Camp participants should arrive on time and be picked up promptly following their respective camps.
- Wrestlers are responsible for their own transportation to and from the facility.
