Treasurer's Report

Financials were sent via email. Mike and John are looking into outstanding invoices from the BBMD. Mike is looking into different dates for the Golf outing.

High School

Mr. Christine was not in attendance. Nothing to report.

Junior High School Coaches

Coaches were not in attendance but submitted an inquiry:

If a dual meet were added, it would need to be completed under Arsenal name from insurance standpoint according to Mark Fluharty. It would cost around \$500 for East/West. Question raised at last meeting – Can 9th graders be added to roster if they have no varsity experience. Needs to be discussed. Junior High East practice mat was replaced with section of mat from high school. A question was raised at the last meeting- What is being done with the old mat section from East? According to Nik removal of the mat section from the high school has left only a portion of the remaining mat to be placed in overhead hoist area. This will not present any issues with the high school. The new West mat has arrived and is in use- Josh verified that mats are being stored correctly.

Communications

Banners for Senior night will be delivered. Flowers are ordered. Tickets for Individual States at Hershey can be purchased online.

Travel

Bridgette Wise, Kelly Heimbach, Allyson Breidor and Julie Wilde will be looking into dates and venues for the Banquet. Possibly the Morningstar again this year.

Julie is looking into the Days Inn, Tru by Hilton and Super 8 for individual duals. She will be booking 19 rooms: 4 for the Athletes/Coaches and 15 for the Parents. More information will follow.

Arsenal/Facilities

Kurt was not in attendance. There will be a meeting on January 20th at 7 p.m. in Kurt's office to discuss the Bylaws of Arsenal. Anyone that wants to get involved in the rewriting they should come. The Board discussed a donation to the Ambulance. All were in favor of a \$500 donation.

Program Book/Sponsors

Janine stated that some still need to pay their donations. She also asked the Board to donate a basket to the GES Basket Raffle on March 13th. All were in favor of a free Camp Registration.

Youth

Had requested to Julie to see if the Youth could piggyback off the dates for The Senior High Banquet to save money. The Youth will match the \$500 donation to the Ambulance.

President

The Choir at the High School has stated that they do not need the concession stand during the Springford home match. BAWA will be able to use it. Tracey made a motion to the Board to pay for S. Reitnour's hotel room at the Queen of the Mountain Wrestling Duals. All were in favor or making this payment.

Motion to close meeting at 8:33 p.m. All were in favor.
